DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This action is responsive to remand by the Board of Patent Appeals to cancel the expressly or implicitly withdrawn claims. Appellants has not appealed all rejected claims. Specifically, a review of the Ground of Rejection on the record finds that rejection are outstanding for the following pending claims: 1-3, 5-7, 9-20, 22, 23, 33-35, 37-39, 41-52 54, 55. The rejected claims that have not been appealed and/or argued for appeal are claims 2-3, 5-7, 9-11, 15-20, 22, 34-35, 37-39, 41-43, 47-52 54.

Therefore, the Grounds of rejection to be reviewed on appeal:

Claims 1, 33 are rejected under 35 U.S.C 102(e) as being anticipated by Foulger et al. U.S. Patent Publication # 2003/0018769 (hereinafter Foulger)

Claims 12, 13,14, 23,44,45,46,55 are rejected under 35 U.C.. 103(a) as being unpatentable over Foulger et al. U.S. Patent Publication # 2003/0018769 (hereinafter Foulger) in view of Feinberg et al. U.S. Patent # 6,798,745 (hereinafter Feinberg)

Therefore, Claims 2-3,5-7,9-11,15-20,22,34-35,37-39,41-43, 47-52, 54 are cancelled.

Therefore, Claim 12 is considered as an independent claim with claim 11 limitations added into claim 12 to make into independent claim 12. Therefore, claim 12 as independent claim with limitation from claim 11.

Therefore, Claim 23 is considered as an independent claim with claims 1, 22 limitations added into claim 23 to make into independent claim 23. Therefore, claim 23 as independent claim with limitation from claims 1, 22.

/John Follansbee/
Supervisory Patent Examiner, Art Unit 2451
